## **Clampco Products, Inc. Announces Participation at the 10<sup>th</sup> Integer Emissions Summit**

Wadsworth, OH (Oct 11, 2017) Clampco Products, Inc, a leading manufacturer of stainless steel clamp products, will be an exhibiting sponsor at the 10<sup>th</sup> Annual Integer Emissions Summit & DEF Forum USA for the 5<sup>th</sup> straight year. The Integer Emissions Summit USA will be held in Pittsburgh, Nov. 7-8, 2017

The Integer Summit continues to be the leading forum to discuss Advanced Engine and Exhaust After-treatment Technology Strategies to meet Federal and Global Efficiency/Reduction Regulations. Come visit the Clampco exhibit in Booth 4. We will have technical staff onsite to provide answers to your clamp product questions and have many of our innovative products on display.

More information about this event can be viewed at: <https://www.integer-research.com/conferences/ies-usa-2017/> . Also see our Clampco Products, Inc. Facebook or LinkedIn pages for up to date news and Summit discount code.

“Clampco leads the way in the development, engineering and production of stainless steel clamps and mounting straps for the diesel emission market”, says Derek Sandborn, Clampco National Sales and Marketing Manager. “This Emissions Summit allows us to showcase our latest clamp innovations to Top OEM and Tier 1 Manufacturers”

Established in 1971, Clampco Products, Inc manufactures Standard and Custom T-bolt Band Clamps, V-band Couplings and Stainless Steel Straps for over 35 different market segments worldwide. Clampco remains a family owned company and offers Industry Best, Personalized Customer Design Support, In-House Rapid Prototyping, and Reliable Production Shipments, all from our newly expanded Wadsworth, Ohio facility.
