The 2012 DEER Conference will be held at the Hyatt Regency Dearborn in Dearborn Michigan from October 16th –19th. Sponsored by the US Department of Energy, the DEER Conference brings together Engine/Emission professionals to exchange information and best practices for design and development of Advanced Combustion Engines and Emission Systems. Clampco will be exhibiting our innovative Stainless Steel Clamp and Strap products at Booth #321.

“Industry best, Personalized Customer Design Support and In-House Rapid Prototyping are services we offer our Engine/ Diesel After-treatment Emission Systems customers”, says Derek Sandborn, Clampco National Sales and Marketing Manager. “Offering these services to our valued Engine/Emission Market customers has led to numerous multi-year production sourcing agreements and significant growth for Clampco”.

In addition to exhibiting at the 2012 DEER Conference, Clampco will also exhibit at the SAE 2012 Commercial Vehicle Engineering Congress, which is being held at Donald E. Stephens Convention Center in Rosemont, IL on October 2-3, 2012. Clampco will be exhibiting at Booth #508. “Both Conferences provide an excellent opportunity to showcase our innovative products and experience”, continued Derek Sandborn.
