CLAMP CO PRODUCTS NOW CERTIFIED TO ISO 9001:2008 WITH DESIGN

Wadsworth, OH. (November 2010) -- Clampco Products, Inc. is proud to announce that the recent audit and assessment of their Quality Management System meets the revised standards established by the International Organization of Standardization. Clampco was previously certified to ISO 9001:2000 With Design.

The upgraded ISO 9001:2008 Standard adopts a process approach for Developing, Implementing and Improving the effectiveness of an organization's Quality Management System. Emphasis is placed on enhancing Customer Satisfaction through the Understanding of Requirements, Monitoring of Process Performance and Continual Process Improvement. A copy of our latest ISO Certificate of Registration can be obtained by clicking the link below.
