

V-BAND CLAMPS/COUPLINGS

Standard Items

Ready to Deliver!

Clampco stocks several standard V-Band Clamps/Couplings. These parts are the most popular sizes and are frequently installed on diesel engines, turbochargers, and heavy-duty exhaust systems.

All of our standard V-Band Clamps/Couplings have 300 series stainless steel bands and retainers and come with a standard T-bolt latch. See the following catalog pages on V-Band Clamps/Couplings for more detailed product specifications and dimensions.
